

ATTENTION:

Incoming First Year Students with a Learning Disability

COME TO THE **SUMMER STARTUP** PROGRAM!!!

WHAT IS THE SUMMER STARTUP?

It is a program designed to:

- Enhance learning skills and study strategies
- Orient you to the postsecondary environment: learn about resources on campus
- Learn about your LD: what are your strengths, what are your difficulties
- Help you be a self-advocate
- Build connections with other first year students who also have LDs
- Provide a session for parents who wish to learn more about U of T Scarborough and how to support students in their transition to university

WHY SHOULD YOU ATTEND?

- To ease your transition from high school to university
- To develop tools to succeed in university
- It's FREE! Including all meals and stay in residence (optional)*!!!!
- Because 100% of the 2010 STARTUP participants recommend the program to other students with LDs

WHEN IS IT?

- Wednesday August 10 to Friday August 12, 2011 (inclusive)
